Intent:

Federal and State assisted programs require that recipient agencies guarantee accountability to the United States and the State of Arizona, eliminate unlawful discrimination and ensure equal opportunities for the beneficiaries or potential beneficiaries of Federal financial assistance. The intent of the law is to accomplish this as soon as possible, but with careful review and meaningful efforts at voluntary compliance.

The General Assurance Statement does not cover the unique aspects of individual programs. Individual program staff will inform or make available to the recipient agency any changes in the rules and regulations that are applicable to that program.

ASSURANCES

The parties referred to in this document are the United States Department of Education, the Bureau of Indian Affairs of the United States Department of Interior, the United States Department of Agriculture, and the United States Department of Labor, all herein referred to as the "DEPARTMENT," and the State Board of Education of the State of Arizona, herein referred to as the "STATE AGENCY," and the local educational agency, herein referred to as the "SUBGRANTEE," (Educational Agency Name) _____

Educational Agency CTDS No. _____ County _____, State of Arizona.

The STATE AGENCY may make funds available to the SUBGRANTEE for programs operated by the SUBGRANTEE in accordance with requirements and regulations applicable to such programs.

Consistent with 34 C.F.R. Sections 76-85, the SUBGRANTEE assures, if awarded a grant, subgrant, or contract:

1. That the SUBGRANTEE will accept funds in accordance with applicable Federal and State statutes, regulations, program plans, and applications, and administer the programs in compliance with all provisions of such statutes, regulations, applications, policies and amendments thereto.
2. That the control of funds provided to the SUBGRANTEE under each program and title to property acquired with those funds will be in a designated eligible recipient and that a designated eligible recipient will administer those funds and property.
3. That the SUBGRANTEE has the necessary legal authority to apply for and receive the proposed grant or subgrant and enter into the contract.

4. That the SUBGRANTEE will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organization" utilizing generally accepted accounting principles (GAAP). That the SUBGRANTEE will furthermore utilize competitive bidding practices in compliance with applicable procurement regulations.
5. That the SUBGRANTEE will make reports to the STATE AGENCY and to the DEPARTMENT as may reasonably be necessary to enable the STATE AGENCY and DEPARTMENT to perform their duties.
6. That the SUBGRANTEE will maintain records, including the records required under Section 437 of the General Education Provisions Act ("GEPA"), 20 U.S.C. § 1221, and provide access to those records as the STATE AGENCY or DEPARTMENT and the Comptroller General or any of their authorized representatives in the conduct of audits authorized by Federal Law or State Statute. This cooperation includes access without unreasonable restrictions to its records and personnel for the purpose of obtaining relevant information.
7. That the SUBGRANTEE will provide reasonable opportunities for participation by teachers, parents, and other interested agencies, organizations and individuals in the planning for and operation of each program.
8. That any application, evaluation, periodic program plan or report relating to each program will be made readily available to parents and to other members of the general public.
9. That in the case of any project involving construction, the project is not inconsistent with overall State plans for the construction of school facilities, if applicable; and in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed under Section 504 of the Rehabilitation Act of 1973 and applicable provisions of Chapter 4 of Title 34, A.R.S., in order to ensure that facilities constructed with Federal (which become subsequently State) funds are accessible to and usable by handicapped individuals.
10. That the SUBGRANTEE has adopted effective procedures for:
 - A. Acquiring and disseminating to teachers and administrators participating in each program, significant information resulting from educational research, demonstration and similar projects; and
 - B. Adopting, if appropriate, promising educational practices developed through those projects.
11. That no person shall, on the ground of race, color, national origin, handicap, or sex be excluded from participation, be denied the benefits, or be otherwise subjected to discrimination under any program or activity for which the SUBGRANTEE receives Federal financial assistance. Admissions policies for private schools are understood and agreed to be part of such programs. In this vein, the SUBGRANTEE agrees to assure compliance with the Governor of Arizona's Executive Order 75-5 prohibiting discrimination in employment, as well as Title VI of the Civil Rights Act of 1964 (45 U.S.C. 2000d *et seq.*); Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681-1683); Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Age Discrimination Act (42 U.S.C. § 6101 *et seq.*); and the Americans with Disabilities Act ("ADA") (42 U.S.C. § 12101 *et seq.*).

15. That the SUBGRANTEE shall, to the extent possible, coordinate each of its projects with other activities that are in the same geographic area served by the project and that serves similar purposes and target groups.
16. That the SUBGRANTEE shall, to the extent possible, if its project includes activities to improve the basic skills of children, youth, or adults, coordinate its project with other basic skills activities that are in the same geographic area served by the project. Basic skills means reading, mathematics, and effective communication, both written and oral.
17. That the SUBGRANTEE shall continue its coordination with the STATE AGENCY during the length of the project period.

21. That funds will be used to supplement and not supplant State and local funds expended for educational purposes and, to the extent practicable, increase the fiscal effort that would, in the absence of such funds, be made by the SUBGRANTEE for educational purposes.

25. If real property or structures are provided or improved with the aid of Federal financial assistance, the SUBGRANTEE will comply with applicable statutes, regulations and the project application in the use, encumbrance, transfer or sale of such property or structure. If personal property is so provided, the SUBGRANTEE will comply with applicable statutes, regulations and the project application in the use, encumbrance, transfer, disposal and sale of such property.
26. That in the event of a sustained audit exception, and upon demand of the STATE AGENCY, the SUBGRANTEE shall immediately reimburse the STATE AGENCY for that portion of the audit exception attributable under the audit to the SUBGRANTEE, but shall also immediately reimburse the STATE AGENCY expenses in defending the audit exception, including and not limited to travel and attorney's fees, in an amount proportional to the amount of the audit exception attributable to the SUBGRANTEE. The SUBGRANTEE agrees to hold the STATE AGENCY harmless for any audit exception arising from the SUBGRANTEE's failure to comply with applicable regulations.

27. That the SUBGRANTEE is aware all Federal funds granted to it are conditioned upon the availability and appropriation of such funds by the United States Congress and are subject to reduction or elimination by the United States Congress at any time, even following award and disbursement of funds. The SUBGRANTEE shall hold the STATE AGENCY harmless for any reduction or elimination of Federal funds granted to it. In the event of non-appropriation and notice, the SUBGRANTEE shall immediately cease further expenditures under any project.
28. That the SUBGRANTEE is in compliance with State and Federal laws and regulations.
29. This assurance is given in consideration of and for the purpose of obtaining any and all grants, loans, contracts, property, discounts or other financial assistance extended after the date hereof to the SUBGRANTEE by the DEPARTMENT, through the STATE AGENCY, including installment payments, after such date on account of applications for financial assistance which were approved before such date. The SUBGRANTEE recognized and agrees that such financial assistance will be extended in reliance on the representations and agreements made in this assurance, and that the United States and the State of Arizona, individually or jointly, shall have the right to seek judicial enforcement of this assurance.
